

WENDEE LEE CURTIS

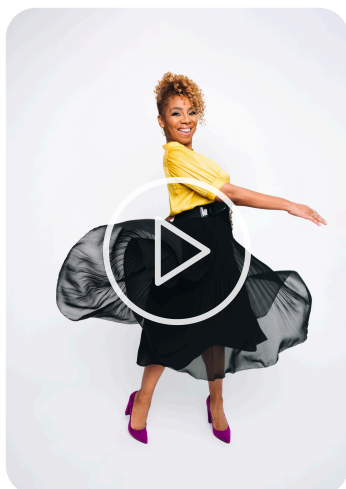

HOST · MC · MODERATOR

YOUR EVENT ALLY ONSTAGE

The run of show is set.
The room is the part you can't script.

Wendee Lee Curtis hosts and moderates live and virtual events with the timing to keep your program on the rails and the instincts to catch the moment it goes sideways. From Broadway to broadcasting to the boardroom, is a one dynamic and steady pair of hands from the first cue to the final thank-you.

MEET WENDEE

Wendee is a professional host, emcee and moderator. She spent more than two decades onstage, from her Broadway debut in Play On! to Sophisticated Ladies and the Las Vegas run of STOMP Out Loud, with performances at Lincoln Center, Carnegie Hall and Radio City Music Hall.

She made the leap from Broadway to broadcasting as a TV news anchor and entertainment reporter at KTNV-ABC in Las Vegas. That blend of live-stage time and on-camera calm is why Fortune 500 teams hand her the mic, across pharma, tech and financial services, to name a few.

*"She is the reason we hire a professional on-camera host. You can't mess around with a live-camera broadcast. **Wendee has knocked our show out of the park** for three years running!"*

Chris Nicholson · Executive Producer, Plexus

*"**Wendee is AMAZING!!** Great at preparation and following the script, but she also brought her own personality and flair to each task. I cannot recommend her enough."*

Andrea Nichols · SVP, Executive Producer, InVision Communications
